Mr. Marshall:

I am in receipt of your letter dated September 15, 2015, regarding your convictions for Possession/Receiving a Controlled Substance and Unlawful Distribution of a Controlled Substance (three counts) in the Circuit Court of Autauga County, Alabama, case number CC96-282. I, as well as Supervising U.S. Probation Officer Jacquelyn P. Caple, have reviewed your continued objection that the conviction should not receive criminal history points, nor be used as a second "prior felony" to qualify as a career offender under USSG §4B1.1. In so doing, I, as well as Supervising U.S. Probation Officer Caple, reviewed your presentence report, the provided court documents, and the Court's finding regarding said objection at the time of sentencing and found no error in application. The sentence you received upon revocation on October 29, 1998, resulted in you being incarcerated as a result of said conviction within 14 years of the commencement of the instant offense (or up to one year, October 19, 1999, within the 15 year time frame); and therefore is within the applicable time period for being countable under USSG §4A1.1(a). Also, see USSG §4A1.2(e)(1), and 4A1.2(k)(1) and 2(A).

I hope this information proves useful to you.

Sincerely,

Ellen S. Fraywick
Senior U.S. Probation Officer
